LUXURY VILLA LEFKADA

In Escape View Villa we went a step further; Every area has views to the sea!

The Island of Leykada

Lefkada island is located in central Ionian Sea, in west Greece and is surrounded by a total of 24 islets - Aristotle Onassis' Skorpios being one of them.

It is less than a 4-hour driving time from Athens and the almost the same time either from Ancient Olympia or Delphi. It connects to the opposite coast of central-west Greece via a floating swing 50-meter bridge. The bridge offers easy access to Lefkada to visitors from all over Greece.

In Lefkada, you will find noteworthy sights, churches, monasteries, picturesque villages, lush vegetation, idyllic coves of transparent, turquoise waters, busy and secluded beaches of stunning beauty, a significant cultural heritage and hospitable locals.

LEFKADA IS THE ISLAND'S CAPITAL AND PORT TOWN.

The Location – Fterno Village Off-the-beaten-path

Welcome to our peaceful Village, named Fterno, which is built amongst the olive groves & nature, with outstanding views towards north, east and south of the Lefkada island.

Fterno is a small and quiet village on the hill top over Nydri town. It is just 15-minute driving distance either from Nydri or Vassiliki famous beaches and harbors, and much closer to a number of beautiful small beaches and villages.

A destination worth visiting for its unspoiled, genuine character and the amazing fact that it has managed to remain distant from the bustle and the commotion of the more popular and touristic places.
